WORKSHOP

\$225 course, fee, per person # attending _____

total workshop \$ _____

MATERIALS

FIRST ORDER • now

Lead keel. 600 lbs. \$1,950.00 _____

Plywood. Meranti, marine grade:
3/8", nine sheets; 1/2", two sheets \$775.00 _____

Standing rigging. _____ Marconi _____ Gaff \$310.00 _____

total materials \$ _____

Course fee & first order TOTAL \$ _____

A NOTE ON SALES TAX: Maine 5% sales tax applies to the materials. You can figure this now if sending one check, or we'll gather what the State of Maine requires at the workshop. Simpler that way. . .

SECOND ORDER • mid-April

Solid wood. We expect that the solid wood will be between \$1,250 and \$1,500; we'll need to get our best, final price a bit closer to the workshop. We'll send out this number in a few weeks, then place the order shortly thereafter.

I'd like to
order solid wood.

You may return this form with a check, or email us the info then pay online through our secure store by credit card or with Paypal (www.brooksboatsdesigns.com/ssoundworkshopreg) Thank you! John and Ruth
